001 MAR 01 1 15 AM

I have your letter of 8 March and want to let you know that I have no objection to your giving my name as a reference to the International Educational Exchange Service.

In regard to employment possibilities here, I have asked our Director of Personnel to be on the lookout for any requirement coming up which may be of interest to a person of your training and stature. Should something develop, we will promptly get in touch with you.

I appreciate very much your courtesy in writing to me and I enjoyed seeing you again while you were in Washington.

With every best wish.

Sincerely,

(SIGNED)
